## Document Staff Collects Memories

Collecting Memories of the year in a unique way was the goal of the Document this year. One outstanding feature is the new look in the Ad section. Editor Leslie Fallis did an outstanding job of guiding the staff through a hectic year, and the Dynamic Document Duo and the Reveille staff also helped make this the best book yet.

## Key Clubbers Aid Needy

The Key Club is the high school branch of the International Kiwanis. The 1979-80 theme is "Share Togetherness," which means helping the elderly and various other needy groups around the community. Working at College Night, the March of Dimes Haunted House, putting up posters for the United Way, and organizing the traditional Key Club Christmas project were some of the successful projects completed by the Key Club this year.

## VOE Students Learn by Working

Vocational Office Education (VOE) trains students and gives them on-the-job office education. The co-op is divided into two parts: an insurance lab which prepares and sells practice insurance policies and a class where students learn about insurance and work at an office job in the afternoon. The club for both lab and co-op is Office Education Association (OEA).

## Office Helpers Valuable to T.J.

One of the most important service activities at T.J. is that of office helper. Students working in the Attendance Office, Counselors Office, and Library aid students, teachers, and administrators by taking call slips to classes and assisting in various clerical duties. An efficient school depends on the diligence of reliable office helpers.

## 1979-1980 Board of Education

The Board of Education is a vital part of the school and community. Mr. Linus Wright, Superintendent, led the Board through a difficult transition period. During this past year Mr. Wright and the Board fought one administrative scandal after another. Some of these problems are still unsolved, but with the cooperative leadership exhibited by the board and Superintendent, they should soon be resolved.

Superintendent Linus Wright

The board members are **SEATED:** (left to right) Mr. Robert Medrano, Mrs. Kathyln Gilliam, Mr. Brad Lapsley, Mrs. Jil Foster, and Dr. Robert Price **STANDING:** Mr. Gerald Stanglin, Dr. Harryette Ehrhardt, Mrs. Sarah Haskins, and Mr. Jerry Bartos

# DR. TOM KELLY A MAN OF 'PRINCIPALS'

Dr. Kelly is a true friend of TJ's student body, past and present. His concern for the "readin', 'riting, and 'rithmetic," as well as for extracurricular activities and athletics proves his ability as an educator

# ASSISTANT PRINCIPALS

Four important assistant principals at T.J. are responsible for the success of the school. Dr. Sherwin Allen tries to assure that the teachers and students have all possible opportunities to succeed. Dr. Louie Bledsoe has helped students through another year achieving their goals. New to T.J., Mr. Ken Cost has helped the Student Council and got acquainted with the school. Mrs. Georganna MacQuigg has been involved this year with the Southern Association Evaluation and scheduling.

# FOOTBALL — 1980

The Thomas Jefferson Varsity Football Team got off to a dismally slow start in 1979, losing the first three games of the season, including a tough loss to Samuell to open district play. A pre season pick to end 11AAAA play in the top 3, TJ appeared as if it would never leave the practice field. However, after serious soul searching, the Patriots regained their pride, finishing with a respectable 4-3-1 district record. Winning three games by shut out, and losing to state ranked rival W.T. White 3-2 in a hard fought battle, TJ's war cry became known as "Patriot Pride". Although the district crown eluded the much improved Thomas Jefferson team, the true meaning behind the game itself did not.

# Pats Break Under Tension

A nervous football team and lots of errors led the Patriots to a disappointing loss of 27-6 to the Longview Lobos in their first game. Even though the defense played a good game, they couldn't quite hold the Lobo's speed.

Randy Johnson played well on offense with the gain of 166 yards. Other outstanding players were Mark Knochel and Keith Martin on defense.

# Injuries Bring TJ Down

Freakish accidents during practice prevented two starters from helping the Patriots defend against the Vikings. The Patriots fell to the Vikings with a 31-13 defeat

Injuries were a key note in the game. Ronnie Thompson started the game as quarterback with David Powell picking up on the end.

The Patriots were tied at the half 7-7 when Arlington Lamar pulled ahead. The defensive lineman that lead the attack was Mark Knochel. Other outstanding players were Bobby Carter and Ronnie Thompson on offense

## Samuell Suppresses T.J.

Patriots had a rough night with their first district game against Samuell Spartans. David Powell had 4 passes picked off by Samuell's secondary which set up 2 touchdowns for the Spartans. A great deal of mistakes and 4 interceptions killed all opportunities for Patriots to score.

## Defense Plays Good Game

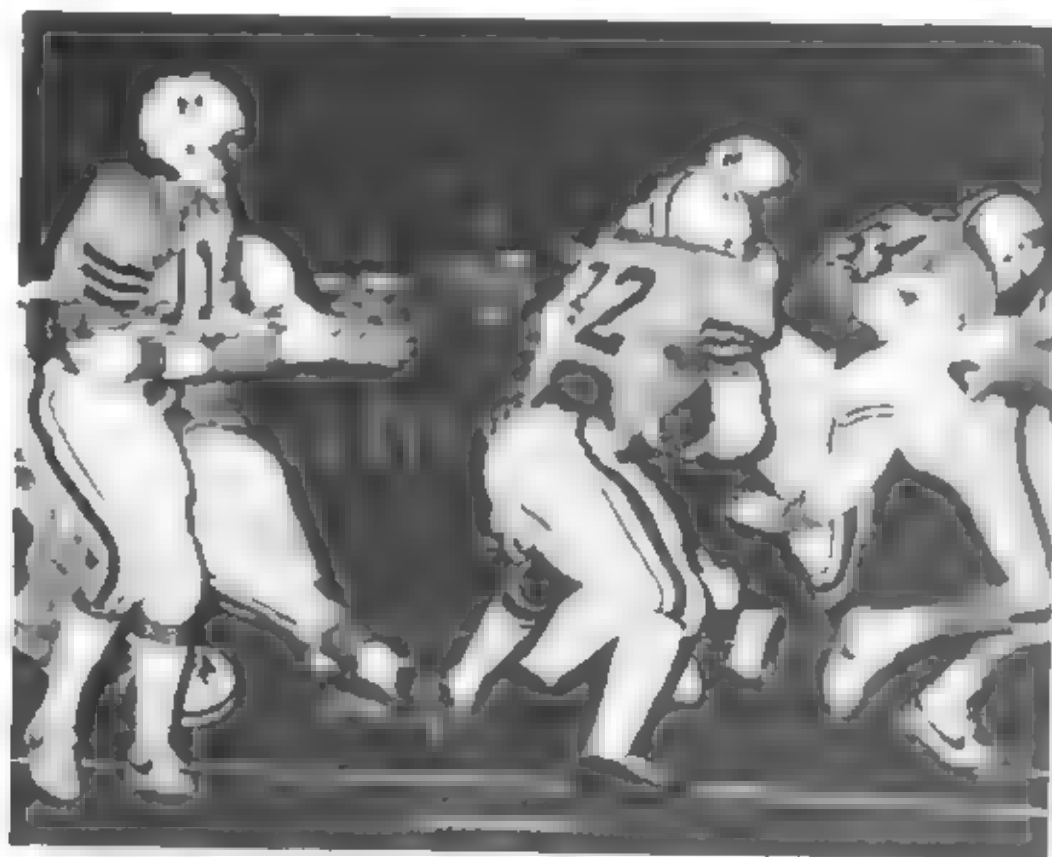

The big play of the game was when the "goal line" defense stopped Spruce from the Patriots own 3 yard line 4 times, said Coach Stumbo. The Patriots' victory of 14-0 over Spruce was their first shut out of the season.

Mark Knochel won Defensive Player of the Week with 12 tackles and 11 assists. Other players that had a good game on defense were Craig Davenport and Jim Neal.

On offense David Powel ran 36 yards for a touchdown and Earl Johnson had a total of 63 yards.

## Winning Night for T.J.

Friday night was definitely not the night for the Lincoln Tigers. The T.J. defense held the Tigers to 1 yard rushing and only 90 yards in passing. The defense played a great game, and the offensive line blocked well.

Outstanding players for this game were Ronnie Thompson coming in the game for his first time at quarterback scoring 1 touchdown of his own and throwing 2 touchdown passes. Mike Peterson was also outstanding in performance receiving 2 touchdown passes for the night. Also on offense Randy Johnson and Bobby Carter played a good game.

## Blackout Breaks TJ

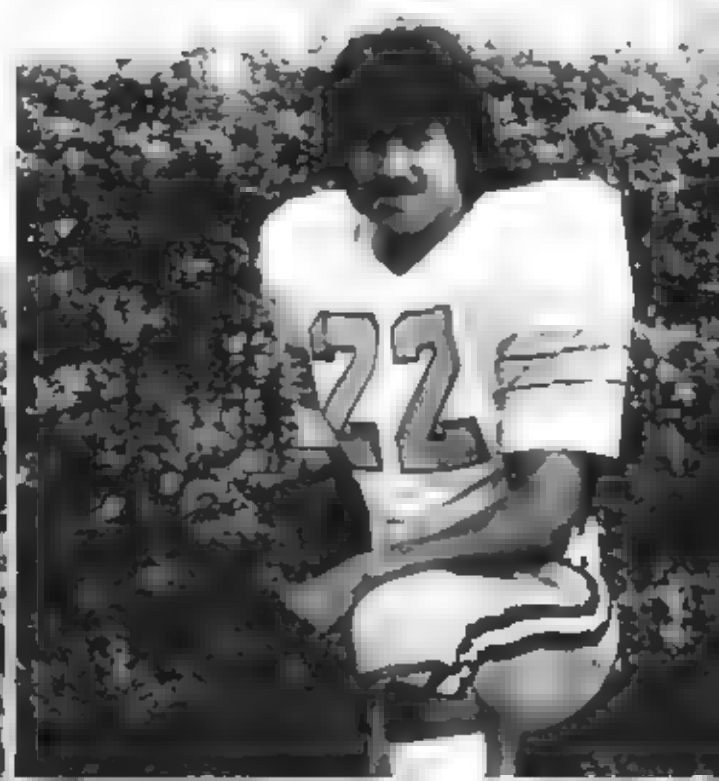

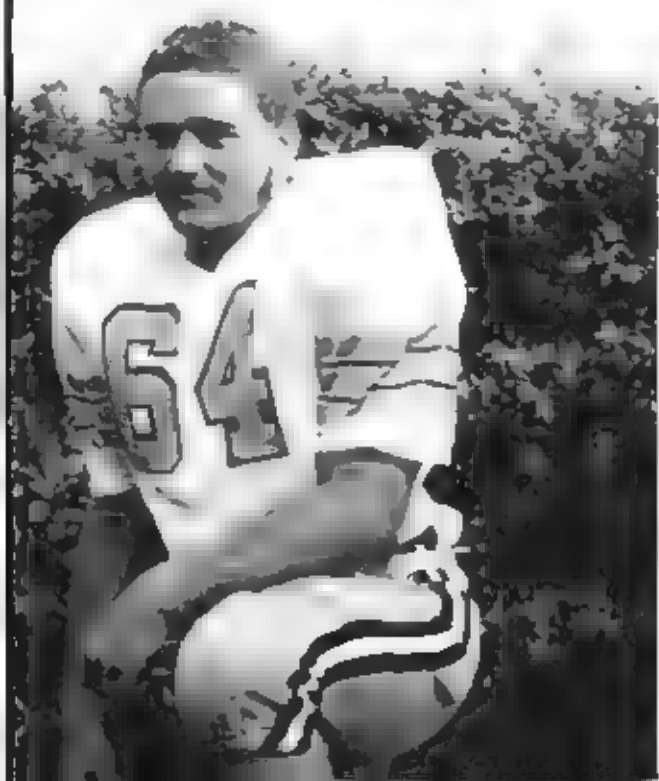

While in the 1st quarter of the game at Forrester Field the lights suddenly blacked out for 50 minutes. After that incident, TJ could not concentrate enough for a full team effort. Two major Patriot fumbles were a major factor in losing the game to Bryan Adams 21-7. Ronnie Thompson scored first for TJ, and Henry Meza added the extra point.

## TJ Walks Over Woodrow

Patriots were able to take advantage of 2 big Wildcat mistakes. One was a poor snap from the center on punt for one score, and another was added after a Wildcat fumble. Then the Patriots saw a Wildcat touchdown nullified by an illegal procedure penalty.

Randy Johnson rushed for 164 yards and 3 touchdowns for the only superlative performance in what was an otherwise mediocre night for the offense. The Patriots extended the lead to 25-0 in the third period.

# Vengeful Night for TJ

The name of the game was "Revenge" as the Patriots thoroughly killed the Hillcrest Panthers 28-0. The Pats were walked on by Hillcrest in '78 and the game took on a vengeful air from the past year's humiliation. The defense was the key as Mark Knochel, Jim Neal, Roger Coleman, and Craig Davenport led the way with 5 fumble recoveries and 3 interceptions. Davenport got the final 6 with an interception and a short sprint for a touchdown. While the defense capitalized on Panther mistakes, the offense maintained ball control with a steady effort by Randy Johnson who had 138 yards on 19 carries. Helped along by halfback Bobby Carter, TJ's team rushing total mounted to 249 yards. The scoring was handled with equal offensive attack: a 50 yard pass from David Powell to Gerald Harding, a 3 yard run by Johnson and a 19 yarder by Carter.

## Raiders Meet Their Match

Both Skyline touchdowns came off fumble recoveries as the Raiders scored once in the first quarter and went ahead again 14-6 in the third quarter only to have the Pats score 16 seconds later and pass for 2 extra points and the tie.

After a scoreless 2nd period TJ drove 43 yards in 3 plays for its initial touchdown. Jeff Tousa's pass for 2 points was batted down in the end zone. David Powell passed to Weldon Ware, who made a falling catch in the end zone for the 2 points.

## TJ Threatens White

The Patriot defense put up a superior fight against arch rival W. T. White in a game billed to be a 3 touchdown victory for White. The Longhorns, who had an offensive scoring average of 30 points per game, were totally shut out of the end zone due to various turnovers caused by TJ. Although no touchdown was scored by either side, a Longhorn field goal in the 3rd quarter was enough to take the game home. It looked as if TJ might pull it out after scoring a safety in the 4th quarter, but while racing the clock to get into field goal range, time ran out. Standouts for TJ were Mark Knochel, Craig Davenport, Marty Watson, Bobby Jones, Keith Martin, Greg Chapman, and Jim Neale. The White game epitomized the season for the Pats disappointing yet full of pride.

### ... Out to Win

All in all, the Junior Varsity team had a good year, finishing the season with an 8-2 record. The team was undefeated for the first 8 games but had 2 disappointing losses at the end. Players from this J.V. team should contribute nicely to the Varsity next year, Coach Gerald Turner said.

## ... A Time To Learn

With 1979 basically a learning experience, the Freshmen finished 1-7-1. The highlights were an 8-0 win over Skyline and a 0-0 tie against Hillcrest. The boys showed good improvement toward the end of the season and can build from their experiences, Coach Wallace explained.

The tennis team this year is basically made up of sophomores and juniors preparing for a winning senior year. TJ's team is placed 3rd in zone. The regular season began in February and ended in March. The team planned to participate in one out-of-town tournament at North Lake College, according to Coach Jim Davis. The talent building in this young team should provide for an excellent season next year.

## Always Our Winners

The soccer team has always been one of the best teams at TJ. In the past 5 years that Coach Doug Carter has been coaching, TJ's team has won the city playoffs twice and has won district all 5 years. Their winning seasons are usually due to the fact that the players play with determination, stamina, and sportsmanship. The Varsity soccer games are also exciting for the spectators. The games are fast-moving, victorious, and often rough.

# ... Working Hard

The girls soccer team is growing larger every year. The girls perhaps have to learn more professionalism through experience, but they are willing to work to achieve this goal. According to Coach Doug Carter, the ice held back the usual early February practices but they anticipate a good season anyway.

**FIRST ROW:** (left to right): Edith Leslie, Aurora Ortega, Brenda Mendizabal, Melinda Meyer, Christine Miramontes. **SECOND ROW:** Angela Potts, Vickie Velasquez, Christine Tijerina, Christina Perales, Gloria Mireles. **THIRD ROW:** Anna Cedillo, Kathleen Wehmhoefer, Sophia Sendejas, Isabel Hernandez. **BACK ROW:** Maria Gonzales, Barbara Goss, Delia DeLa Garza, Roni Muniz, Sandra Reyna

## Guys

The guys participate in 14 different track and field events. The running events are 100m, 200m, 400m, 800m, and 1600m, and 2 relays. They also have high and intermediate hurdles. Field events are the shot put, discus, long jump, high jump, and pole vault.

## Gals

The girls team has about the same events as the boys, with the exception of the pole vault. They have high, long, and triple jumps as track events along with many relays and dashes. And, believe it or not, field events for the girls do include the discus and shot put. The team planned to compete in 4 meets.

## ... A Growing Team

The bowling team does very well despite the fact that it's only been at TJ for 3 years. Bowling is a winter sport at TJ and serves as a PE credit. The team is open to guys and girls grades 9-12. The better bowlers participate in the Interscholastic Bowling Team. The team competes in 9 district tournaments and a city tournament at the end of the season.

Shawna,  
It's to bad our relationship  
wasn't as close as it has been. But  
it has been a fun senior year and  
I hope your senior year was as fun as mine  
was. I hope you succeed in everything you  
do in life. remember Walnut Hill

Shawna - It is  
nice to have had  
you in class - you  
are a great gal with  
a great potential. May  
God bless and keep you  
in His care.  
Sincerely,  
Luis Crawford

Shawna,  
It sure has been a fun few years.  
I wish we could have been closer!  
After our sophomore year it seems  
like I never see you anymore.  
It's so sad that we have to go  
our separate ways 'cause I'm  
gonna miss everyone  
so much! Don't  
ever forget all  
the things we've  
done - Tri-Hi-Y,  
the dances, and  
don't forget your  
dads apartment.  
(Blast) Remember the  
night we went chikling  
and no one could decide where to  
go. We had fun anyway. We got  
drunk + then went + ate pizza.  
Remember that girl in pizza-um? (Pieve)  
Well guess I'll go. Please keep in  
touch O.K. & Take Care + Be Careful.
